RE: October Monthly Report (9/1/96-9/30/96)
12 Day Pro-General Report (10/1/96-10/16/96)
30 Day Post-General Report (10/17/96-11/25/96)
Year End Report (11/26/96-12/31/96)

Dear Mr. Davis, Jr.:

With reference to the above reports, please be advised that the Democratic Senatorial Campaign Committee, following receipt of a contribution from an organization not registered with the Federal Election Commission, sends a letter requesting verification that the organization had sufficient funds subject to the limitations and prohibitions in order to make the contribution. Enclosed, as example, please find two such responses.

All contributions referenced by you in the above reports have been correctly disclosed and no amendments are required. The Democratic Senatorial Campaign Committee maintains all responses to these letters stating that the funds received were lawful under the federal law.

With reference to the H2 and H4 schedules in the October Monthly Report, please be advised that there was no activity on the H4 schedule for FD96. The H2 schedule just continued to show this activity as there was activity during previous periods. DSCC will no longer report activities on the H2 schedule if there is no corresponding activity during the period on the H4 schedule.

On page 10 of 11, Line 11c of the October Monthly Report, please be advised that the \$2,000.00 contribution from Signalmen's Political League is a federal PAC contribution. The full name of the PAC is Brotherhood of Railroad Signalmen Political Action Committee, C00011262.
